Subject: South Leytonstone LTN funding

Afternoon [REDACTED], hope you are well

I would like to make you aware that after reviewing the LSP programme some funding has become available and TfL would like to use this to contribute towards The South Leytonstone LTN. TfL can award you £200k for this scheme. As you will be aware funding for this scheme is on the understanding that delivery will take place by October.

Please apply for funding on the Portal via the LTN workstream.

Julie Clark will be the day to day contact for this scheme.

Any questions please let me know

James
