[REDACTED] Tim,

Find attached our draft scoping note, updated following our recent meeting, and first draft of the comment tracker. The latter is missing comments from NR and some other stakeholders but covers 95% of the comments. We can add those missing in once we have received a first response.

We are aiming to start moving with the additional work as soon as possible, so any comments on the scoping document in particular would be appreciated.

Regards

[REDACTED]
