I appreciate we do need to produce a schedule of condition in order to address the appropriate level of reinstatement following London Trams' occupation of the site. It would be helpful if you were in attendance when we take photographs, etc., on site so that we can all appreciate what is there now and what level of reinstatement is appropriate. Could you please let me have suitable times in the week commencing 1<sup>st</sup> July and 8<sup>th</sup> July when we can meet at Harrington Road. I am away from the office next week but if you copy in Tim, he will agree a date with you so that we can progress the issue as soon as possible.  
Thanks,  
Gareth
