Just like to confirm are we raising WO or NO work orders to be created for this one after the job is done as an HTO is being raised?

Thanks

Hi [REDACTED]

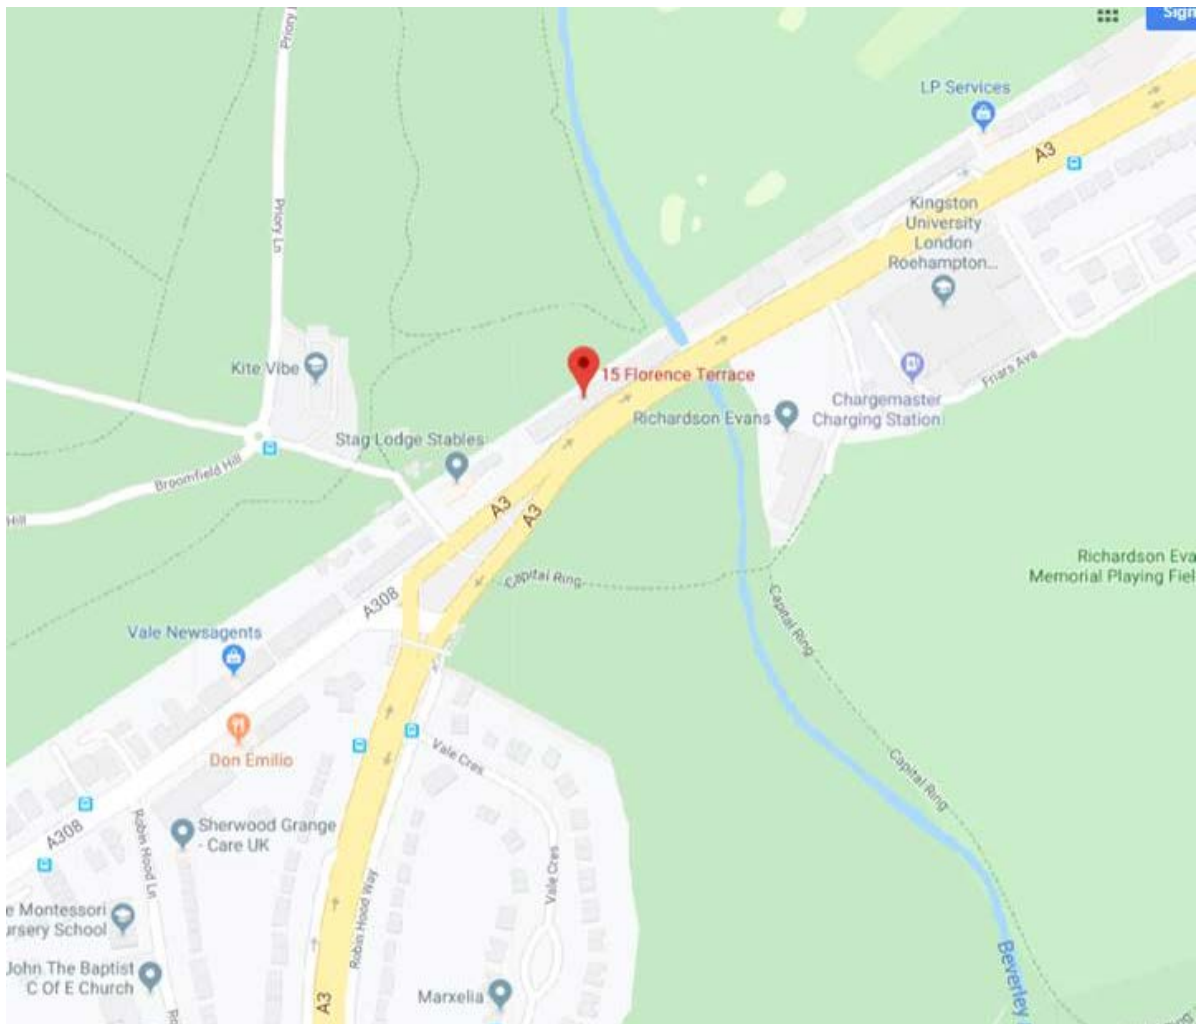

Can you please arrange a gully sucker to attend site today to clear the 2 gullies a the above location. The gullies are filled with leaves and detritus

Kier have made safe the gully surround with asphalt.

However, we have had several complaints about the 2 blocked gulliescausing severe pooling.

Please advise when these works are completed so I can update customer services.

Location

Kind Regards
