INTRODUCTION

The Staff Guide to Fares and Ticketing consists of three separate guides plus appendices:

Staff Guide 1: Fares and tickets:

- *summarises the range of tickets that are accepted on TfL and National Rail services in London*
- *provides fares and ticket prices for all services and passenger types*
- *includes a general guide to single fares on TfL's rail services in zones 1 - 9.*

Staff Guide 2: Types of tickets and ways to pay

Staff Guide 3: Discounts schemes and photocards

Appendices: includes tube maps, tables showing where to buy tickets, a list of Out of Station Interchanges (OSIs) and passenger oriented display (POD) codes

1. TICKET TYPES

TfL offers a range of ticket options and ways to pay:

- Pay as you go (contactless or Oyster) with capping
- Bus & Tram Pass
- Travelcard
- Single or return (paper tickets)

1.1 Using Bus and Tram Services

The following are valid on bus and tram services:

- Pay as you go
- Bus & Tram Passes
- Travelcards
- Bus Saver tickets (buses only)

1.2 Using Tube, DLR, London Overground, Elizabeth line and National Rail

The following are valid on Tube, DLR, London Overground, Elizabeth line and most National Rail services in London:

- Pay as you go
- Travelcards
- Paper single tickets

1.3 Zones

London is divided into six fare zones (zone 1-6). TfL services outside London are in the following Zones:

Zone 7: Carpenders Park, Croxley, Chorleywood, Rickmansworth, Theobalds Grove, Waltham Cross and Watford

Zone 8: Bushey, Chalfont & Latimer, Cheshunt, Dartford, Swanley and Watford High Street

Zone 9: Amersham, Brentwood Chesham

Tickets must be valid for all the zones customers travel through.

- DLR services only operate within Zones 1, 2, 3 and 4
- Travelcards which include Zones 3, 4, 5 or 6 are valid on all trams

1.4 Services Beyond Zone 9

London Overground, Elizabeth line and National Rail operate services beyond the London fare zones where pay as you go is accepted.

- It's easiest to use a contactless card or device
- Oyster is only accepted at some stations beyond zone 9

There is more information on paying for fares and travel beyond zone 9 on the [website](#).

1.5 Pay as you go

Customers must have sufficient credit on their Oyster card to cover the whole of their pay as you go journey on bus, Tube, Tram, DLR, Elizabeth line, London Overground, London cable car, National Rail and Thames Clipper river buses.

Customers can also use contactless cards, or other devices to pay as you go; single fares are the same; daily caps for journeys to/from Radlett and Potters Bar may differ, depending on whether Oyster or contactless is used. Some routes accept contactless pay as you go only (and not Oyster). **See Staff Guide 2 for full details.**

Pay as you go credit on an Oyster card never expires - it stays there until it is used. Once the credit is used, customers should top up before travelling.

1.6 Peak and Off-Peak Pay as you go Fares

Different pay as you go fares are charged depending on the time of travel and mode used:

- **peak** fares apply from 06:30 to 09:29 and from 16:00 to 18:59 Monday to Friday (excluding public holidays)
- **off-peak** fares apply at all other times

Customers are charged according to when they touch their card on the yellow reader at the start of their journey. In some cases it depends what time your train departs.

In the evening peak, off-peak fares are charged for travelling **into** Zone 1 between 16:00 and 18:59 on Mondays to Fridays.

If they touch in between 16:00 and 18:59 **outside** Zone 1 at the start of their journey and touch out **in** Zone 1 at the end of their journey, they will be charged an off-peak fare, even though the journey has been made during the evening peak. **Note:** internally we refer to this as a contraflow.

All Tube and Elizabeth line journeys to and from Heathrow Airport are charged peak fares if they start, end or go through Zone 1.

On the Reading extension, off-peak fares apply in the evening peak for **all** journeys heading towards London and not just those ending in Zone 1

Evening off-peak fares do not apply on journeys heading towards London on Southeastern high speed services, Gatwick Express or Heathrow Express.

[Single fare finder](#) shows the times when peak/off-peak fares apply for individual journeys.

1.7 Pay as you go capping for Oyster and Contactless

Capping is a feature of pay as you go. A cap limits how much customers pay for all their journeys in one day or week.

Customers can make as many journeys as they like and when all fares add up to a certain amount, we won't charge any more (fares are automatically capped).

Caps are applied:

- Daily (contactless and Oyster) or
- Weekly for up to 7 days travel ending on a Sunday (contactless and Oyster)

Customers must touch in and out with the same card or device for a cap to apply correctly. For more info on capping visit the website.

1.8 Bus and Tram Passes

Bus & Tram Passes give unlimited travel across London on buses and trams for:

- One Day
- 7 Days
- One Month
- One Year (Online Only or via the TfL App)

They are valid on:

- The entire London bus network, including sections outside London but not on certain special bus services and excursions
- All trams

Paper versions of , monthly and annual Bus & Tram Passes are also issued for bulk customers from Oyster Sales Service.

1.9 Travelcards

Travelcards give unlimited travel at any time for:

- One Day (paper ticket only)
- 7 Days (Oyster only)
- One month (Oyster only)
- Odd period (Oyster only)
- One year (Oyster only)

They are valid on:

- Tube, DLR, London Overground and Elizabeth line services
- All London buses including sections outside London, on buses that display the red bus roundel sign
- National Rail service in London
- Some National Rail services outside London
- Trams, where the Travelcard includes Zone 3, 4, 5 or 6

They are **not** valid on:

- Certain special bus services or excursions
- The Heathrow Express service

For all rail journeys, Travelcards must be valid for all the zones travelled in, including the zones travelled through.

For example, if a Tube journey starts at Kennington (Zone 2) and ends at Turnpike Lane (Zone 3) then a Zones 1-3 Travelcard is needed, because the journey involves travel through Zone 1

Paper monthly and longer period Travelcards are issued at National Rail stations, from overseas agents and for bulk customers from Oyster Sales Service

1.10 Group Day Travelcard

A Day Travelcard is for groups of 10 or more people travelling together at all times:

- in a single day
- for travel after 09:30 until 04:29 the following day
- valid anytime on Saturday, Sunday and public holidays

1.11 Paper Single Tickets

Paper single tickets are valid for travel on the day of issue only and cannot be brought in advance. Customers can buy these at London Underground and DLR stations only.

A Hopper fare will also apply if:

- Customers make a rail or river journey between the first and second bus or tram journey, as long as both tram or bus touches are within the 62 minutes

A Hopper fare will **not** apply if:

- A customer's Oyster card has a negative balance after their first journey. If the negative balance is cleared within 60 minutes, their hopper fare will apply
- A customer's contactless card has been added to the 'Not authorised for travel' list after their first journey. If their card is removed from the 'Not authorised for travel' list within 62 minutes, their hopper fare will

2.3 Single Fares on Tube, DLR, London Overground, Elizabeth line and National Rail Services

Customers must touch in at start and touch out at the end of every journey, using the same contactless card, device or Oyster card for a cap to apply or a maximum fare may be charged.

2.10 One Day tickets and daily capping on Tube, DLR, London Overground, Elizabeth line and National Rail

Customers can pay as you go using contactless* or Oyster to make as many journeys as much as they like on all modes of transport.

Daily caps are calculated over 24 hours for pay as you go journeys that start at 04:30 and end on 04:29 the next day. *Applies to contactless only journeys for some stations. See Staff Guide 2 for details.

For travel in Zones 1-6:

- **A peak cap** is charged if a day's travel includes journeys made between 04:30 and 09:29 Monday to Friday (except public holidays)
- **An off-peak cap** covers all other times, including public holidays

An Anytime Day Travelcard is needed if a day's travel includes journeys made between 04:30 and 09:29 Monday to Friday (except public holidays).

An off-peak Day Travelcard covers all other times, including public holidays.

Separate peak and off-peak caps apply for under 16s and those with a National Railcard discount set on their Oyster card.

For travel in Zones 1-9 (and journeys beyond, as far as Epsom, Hertford East, Gatwick Airport (excluding Gatwick Express), Grays, Hertford North, Welwyn Garden City, Luton Airport Parkway, Shenfield, Watford Junction and Reading), peak and off-peak caps apply. Contactless only for some routes. See *Staff Guide 2*.

Note:

Day Travelcards are not valid on Southeastern High Speed services between St Pancras International and Stratford International unless bought outside Zones 1-9 with "high speed route" printed on the ticket.

For more details on capping see the website.

Caps and Travelcard price can be found on the website.

2.11 7 Day Tickets and Weekly (Monday-Sunday) Capping

Customers can travel as much as they like in one week using:

- Pay as you go with weekly capping with contactless
- Pay as you go with weekly capping on Oyster
- 7 Day Travelcards or Bus & Tram Passes on Oyster

Weekly capping with contactless

Is available for all services within zones 1-9 plus to and from Epsom, Broxbourne, Rye House, St Margarets, Ware, Hertford East, Gatwick Airport (excluding Gatwick Express), Grays, Cuffley, Bayford, Hertford North, Potters Bar, Brookmans Park, Welham Green, Hatfield, Welwyn Garden City, Radlett, St Alban's City, Harpenden, Luton Airport Parkway, Shenfield, Watford Junction and all stations on the Reading extension.

Weekly capping on Oyster

Customers making multiple journeys in a single week finishing on Sunday using the same contactless payment card or device, or Oyster card may have their fares capped.

Weekly capping is always calculated for all journeys made over 7 days ending on a Sunday.

If a single week of travel starting later in the week, for example from Thursday to Wednesday, there are not enough days up to Sunday to reach a weekly cap. So, it may be better value to buy a 7 Day Travelcard. The cap is reset on Monday morning.

Weekly capping is calculated at the end of each traffic day by gathering all the journeys made and applying daily caps if appropriate. As the week progresses, the cumulative daily totals are analysed, and a weekly cap is applied when appropriate.

If a weekly cap is reached before the following Sunday, any further journeys made with that contactless payment card or device or Oyster card are free until the end of the capping period.

Customers must touch in at start and touch out at the end of every journey, using the same contactless card, device or Oyster card for a cap to apply or a maximum fare may be charged.

Caps are applied to individual contactless payment cards/devices, so journeys made on one contactless card or device cannot be transferred to another card/device (e.g. if a card expires mid-week). Customers who have more than one contactless payment card/device or more than one Oyster card should use the same card/device for all travel to get a weekly cap.

7 Day Bus & Tram Pass

Customers can use a 7 Day Bus & Tram Pass to travel as much as they like on buses and trams over a 7 day period.

The ticket can start on any day of the week.

7 Day Bus & Tram Pass (Oyster only)	Weekly cap (Contactless & Oyster)
£24.70	£24.70

7 Day Travelcards

Customers can use a 7 Day Travelcard to travel as much as they like on buses, trams and rail services over a consecutive 7 day period. A Travelcard can start on any day of the week.

Travelcard and cap prices can be found on the TfL website, including price for Travelcards and caps beyond zone 9.

Pay as you go at Priv rate is only accepted on the Tube and DLR – Paper single tickets are not accepted. Pay as you go fares using Oyster with priv discount are generally cheaper than buying a paper (cash) ticket for single journeys on London Overground, Elizabeth line and National Rail services.

For details of single fares, use [single fare finder](#), which shows pay as you go fares between any two rail stations.

- For adult, 18+ or 16+, the equivalent priv fare will be 25% of the adult fare
- For 11-15 year olds, the equivalent priv fare will be 25% of the 11-15 fare
 - i.e., if the fare displayed is £1.00 the priv fare is £0.25

- Adults and 18+ Student Oyster photocard holders can have a 16-25 National Railcard discount added on their Oyster card/photocard in addition to the priv discount, to get a 1/3 discount on daily caps. The system applies the better value of the discounts at each stage.
- Privilege rate daily caps for children aged under 16 are charged at the standard child rate for peak and off-peak.

10. ENTRY AND EXIT CHARGES

An entry charge is deducted from a customer's contactless card or device or from the pay as you go credit on their Oyster card when they touch in at the start of a journey on Tube, DLR, Elizabeth line, London Overground, National Rail or River Bus services.

The amount charged depends on what time the customer touches in and whether there are any valid discounts or a season ticket on an Oyster card. The deduction of an 'entry charge' is a revenue protection measure.

When a customer touches out at the end of a journey, the system adjusts the entry charge to ensure the correct cost of the fare for the journey completed is charged. This is done in one of the following ways:

- A credit adjustment is made if the cost of the journey is less than the entry charge
- No change is made if the cost of the journey is the same as the entry charge
- An additional deduction is made if the cost of the journey is more than the entry charge
- If the customer does not touch out at the end of the journey, the entry charge remains and is not included in capping and the customer will have an incomplete journey (this charge is also known as a maximum fare to staff)

If a customer does not touch in at the start of a journey but touches out at the end of the journey an exit charge is deducted from the customer's contactless card or device or from the pay as you go credit on their Oyster card. The customer will have an incomplete journey.

If an Oyster card with a season ticket is touched in or out at a station outside its zonal validity, a lower 'mixed journey entry/exit charge' is deducted, to factor that part of the journey is covered by the season ticket.

10.1 Entry and Exit Charges for Zones 1-9

For zones 1-9, the adult entry/exit charge is £9.40 peak and £6.40 off peak.

Separate entry/exit charges apply at:

- Radlett, St Albans City, Harpenden, Luton Airport Parkway, Potters Bar, Bookmans Park, Welham Green, Hatfield, Welwyn Garden City, Cuffley, Bayford, Hertford North, Broxbourne, Rye House, St Margarets, Ware, Hertford East
- Epsom
- Chafford Hundred, Grays, Ockendon and Purfleet
- Denmark Hill, Peckham Rye and Queens Road Peckham
- Gatwick Airport, Merstham, Earlswood/Redhill, Merstham, Horley/Salfords
- Gatwick Express platforms 13/14 at London Victoria

- Paddington station for Heathrow Express
- All stations on the Reading extension
- St Pancras International and Stratford International for journeys on Southeastern high speed services – HS1
- St Pancras International for East Midlands services
- Shenfield
- Watford Junction
- Swanley and Dartford

Full entry and exit charges are shown in Entry and Exit Charge Tables below.

10.2 Entry and Exit Thresholds and Code 36

Customers using Oyster pay as you go need the minimum fare available from when they touch in on their Oyster card for the gates to open at the start of a journey. This is known as the **'entry threshold'**.

If a customer does not touch in at the start of a journey, they will need the minimum fare to their destination on their Oyster card, for the gates to open at the end of their journey. This is known as the **'exit threshold'**.

If a customer using pay as you go with their Oyster does not have the right entry/exit threshold, on their Oyster card an error code 36 (insufficient pay as you go) is shown, and the gates will not open. If they try to touch in and their pay as you go balance is below the entry threshold, they should top up their Oyster card before traveling.

If a customer tries to touch out with their card and the pay as you go threshold is below the exit threshold, the gate will not open. Customers need to ask staff to let them out and top up their Oyster card before it can be used again.

The exit threshold at all London Underground, London Overground and Elizabeth line stations are set at - £2.00. Entry and exit threshold rates are not necessarily the same.

If an Oyster card does not have a PAYG balance of less than -£2.00, the customer will be able to exit at their end station and the gate will open, even if they failed to touch-in correctly.

The appropriate exit charge will still be deducted, as well as a possible maximum fare resulting in a negative pay as you go balance. Customers will need to top up their card before they use it to travel again.

Customers can resolve the maximum fare, via their online account or by calling Customer Services.

A peak time entry threshold for an adult Oyster card is £15.90 and £8.70 for an off-peak entry. This is the minimum pay as you go balance needed on an Oyster card when entering at Gatwick Airport.

Customers who travel from Gatwick Airport to stations before a London Terminal, such as East Croydon, may need more credit on their Oyster card, than the actual fare for their journey.
