Hi Geoff,

Thank you very much for getting back to me and Friday 1 Sept is good for me. I will liaise with Steve about the time that you'd be able to attend. Anytime that day will be good for me.

Best regards,

Musa

**Subject:** RE: Invitation to TCR Station

Hi Musa,

I am currently working away from London this week but have said to Steve, I would welcome coming to site and having a walk around the station.

Steve has said he will arrange a date for next week. I can do Friday 1 or Thursday 7 September, if you would be free.

Regards,

Geoff

**Subject:** Invitation to TCR Station  
**Importance:** High

Good afternoon Geoff,

I'm the Area Manager for Tottenham Court Road station and have just finished one of our local Level 1 meetings with our local Industrial Reps and they keep on bringing up some on going issues around various building concerns at Tottenham Court Road station. I am hoping that you can make some time to come and meet with me at TCR to have a wander around to show you the areas I keeping getting asked about and also if there are any ideas for resolving at least one of these ongoing concerns.

The main issues and concerns we have are around the following:

- Magnetic Doors that segregate the Elizabeth Line from the rest of the station. (We have a way forward on this for now)
- The glass walkway in the main station and the leakages that have occurred around this. (This has been a concerns for a number of years and it is getting to the point where I'm stuck as to what needs to be done).
- The general maintenance of the glass exits around the station (Exits 3 &4). This is as above.

My invitation is not for you to come and meet with my local Reps but just with myself (as the Area Manager) and possibly Steve Witherspoon if he is available, and I have copied Steve in this email as I told him I would be inviting you to come to TCR.

I hope you see this invitation as a plea for help to gain some suggestions of how I can explore resolution to some of the above points.

I look forward to hearing from you.

Best regards,

Musa
