Which zone?

Most Tube, DLR, London Overground, Elizabeth line and National Rail services within Greater London are divided into six fare zones. Outside Greater London, services to the following are in Zones 7-9:

Zone 7: Carpenders Park, Croxley, Chorleywood, Rickmansworth, Theobalds Grove, Waltham Cross and Watford

Zone 8: Bushey, Chalfont & Latimer, Cheshunt, Dartford, Swanley and Watford High Street

Zone 9: Amersham, Brentwood Chesham

Tickets must be valid for all the zones customers travel through.

- DLR services only operate within Zones 1, 2, 3 and 4
- Travelcards which include Zones 3, 4, 5 or 6 are valid on trams

Ticket types

Services beyond the London fare zones

London Overground, Elizabeth line and National Rail operate services beyond the London fare zones:

- Watford Junction (London Overground and National Rail)
- Shenfield (Elizabeth line and National Rail)
- Epsom, Ockendon, Chafford Hundred, Purfleet, Grays, Cuffley, Bayford, Hertford North, Broxbourne, Rye House, St Margarets, Ware, Hertford East, Potters Bar, Brookmans Park, Welham Green, Hatfield, Welwyn Garden City, Radlett, St Albans City, Harpenden, Luton Airport Parkway, Merstham, Earlswood, Redhill, Salfords, Horley and Gatwick Airport (National Rail)
- Heathrow via Elizabeth line and Heathrow Express
- Reading via Elizabeth line and National Rail (Iver, Langley, Slough, Burnham, Taplow, Maidenhead, Twyford, Reading)

Pay as you go

Customers can put money on an Oyster card and then use it to pay for journeys on Bus, Tube, Tram, DLR, London Overground, Emirates Air Line, Thames Clipper River Buses and most Elizabeth line and National Rail services within London. Adults can also use contactless cards, mobile phones or other devices for pay as you go travel; single fares are the same; daily caps for journeys to/from Radlett and Potters Bar may differ, depending on whether Oyster or contactless is used. Some routes accept contactless pay as you go only (and not Oyster). See Staff Guide **Book 2** page 17 for full details.

Pay as you go credit on an Oyster card never expires - it stays there until it is used. Once the credit is used up, customers should top up the card to use it again.

Peak and off-peak pay as you go fares

Different pay as you go fares are charged at busy times on rail services:

- **peak** fares apply from 06:30 to 09:29 and from 16:00 to 18:59 Monday to Friday (excluding public holidays)
- **off-peak** fares apply at all other times

Customers are charged according to when they touch their card on

Ticket types

Pay as you go

the yellow reader at the start of their journey.

Off-peak fares in the evening peak

Off-peak fares are charged for customers travelling **into** Zone 1 between 16:00 and 18:59 on Mondays to Fridays.

If they touch in between 16:00 and 18:59 **outside** Zone 1 at the start of their journey and touch out **in** Zone 1 at the end of their journey, they will be charged an off-peak fare, even though the journey has been made during the evening peak..

On the Reading extension, off-peak fares apply in the evening peak for **all** journeys heading towards London and not just those ending in Zone 1

Evening off-peak fares do not apply on journeys heading towards London on Southeastern high speed services, Gatwick Express or Heathrow Express.

[Single fare finder](#) shows the times when peak/off-peak fares apply for individual journeys.

Pay as you go with capping

Capping is a feature of pay as you go. It allows customers to travel as much as they like but limits the amount they pay. Caps are applied:

- Daily (contactless and Oyster) or
- Weekly for up to 7 days travel ending on a Sunday (contactless and Oyster)

For a cap to apply, customers must touch in and out correctly on all journeys.

Bus & Tram Passes

Bus & Tram Passes offer unlimited travel on buses and trams for:

Ticket types

- One Day (Oyster or paper ticket)
- 7 Days (Oyster only)
- One Month (Oyster only)
- One Year (Oyster only)

They are valid on:

- The entire London bus network, including sections outside Greater London, but not on certain special bus services and excursions
- All trams

Paper versions of 7 Day, monthly and annual Bus & Tram Passes are also issued for bulk customers from Oyster Sales Service.

Ticket types

- One Day (paper ticket only)
- 7 Days (Oyster only)
- One month (Oyster only)
- Odd period (Oyster only)

This applies to all Travelcards irrespective of the zone(s) they cover. They are not valid on certain special bus services and excursions

- Trams, where the Travelcard includes Zone 3, 4, 5 or 6
- National Rail services in London except:
 - Heathrow Express
- Some National Rail services outside London

For all rail journeys, Travelcards must be valid for all the zones travelled in:

- Example 2: if a Tube journey starts at Kennington (Zone 2) and ends at Turnpike Lane (Zone 3) then a Zones 1-3 Travelcard is needed, because the journey involves travel through Zone 1

7 Day tickets and weekly (Monday to Sunday) capping

Customers can travel as much as they like in one week using:

- Pay as you go with weekly capping with contactless
- Pay as you go with weekly capping on Oyster
- 7 Day Travelcards or Bus & Tram Passes on Oyster

7 Day tickets and weekly capping

Weekly capping with contactless is available for all services within zones 1-9 plus to and from Epsom, Broxbourne, Rye House, St Margarets, Ware, Hertford East, Gatwick Airport (excluding Gatwick Express), Grays, Cuffley, Bayford, Hertford North, Potters Bar, Brookmans Park, Welham Green, Hatfield, Welwyn Garden City, Radlett, St Alban's City, Harpenden Luton Airport Parkway, Shenfield, Watford Junction and all stations on the Reading extension.

Weekly capping on Oyster

Customers making multiple journeys in a single week finishing on Sunday using the same contactless payment card or device, or Oyster card may have their fares capped.

Weekly capping is always calculated for all journeys made over 7 days ending on a Sunday. Customers who travel for a single week starting from (for example) on Wednesday to the following Tuesday would be capped (if appropriate) to the Sunday night. The cap is reset on Monday morning.

Weekly capping is calculated at the end of each traffic day by aggregating all the journeys made and applying daily caps if appropriate. As the week progresses, the cumulative daily totals are

Fares tables

analysed and a weekly cap is applied when appropriate.

Adult fares

If a weekly cap is reached before the following Sunday, any further journeys made with that contactless payment card or device or Oyster card are free until the end of the capping period, provided customers continue to touch in and out.

Caps are applied to individual contactless payment cards/devices, so journeys made on one contactless card or device cannot be transferred to another card/device (e.g. if a card expires mid-week). Customers who have more than one contactless payment card/device or more than one Oyster card should use the same card/device for all travel to get a weekly cap.

7 Day Bus & Tram Pass

Customers can use a 7 Day Bus & Tram Pass to travel as much as they like on buses and trams over a 7 day period. The ticket can start on any day of the week.

Group Travel tickets on DLR only

Group tickets for travel on DLR only

- These are no longer available to buy

The DLR Customer Experience team does issue group tickets for DLR-only travel as part of its Community Ambassador familiarisation trips programme. London Underground staff should allow passengers with one of these tickets to enter or exit at a London Underground/DLR interchange station. See page 25 & 26 in **Book 2** for details.

Privilege rate fares

A Privilege Ticket Authority Card (PTAC) allows holders to travel at priv rate, which is a 75% discount on equivalent adult or child-rate fares on rail services.

<ul style="list-style-type: none">• PTAC• For more information see Book 3	
<ul style="list-style-type: none">• Oyster card	

PTACs are issued to eligible current and retired TfL and National Rail staff. The variants allow discounted travel on:

Priv All Rail:

- Tube, DLR, London Overground, Elizabeth line and National Rail services.

Priv Elizabeth line:

- Tube, DLR, London Overground, and Elizabeth line services

Priv NR only

- London Overground, Elizabeth line and National Rail services only

PTAC holders can have the discount set on their Oyster card or Oyster photocard for pay as you go travel at Priv rate.

Some PTAC holders can buy Priv rate season tickets for travel on National Rail services; see **Book 3** for more details

As 5 - 10 Zip Oyster photocard holders travel free on most National Rail services in London, they do not need to set the priv discount

A valid Privilege Ticket Authority Card (PTAC) is needed for all journeys. An accompanying Oyster card with a privilege discount set is needed when using pay as you go.

More information about privilege travel is on the Staff Travel pages on Source: [tfl/PeopleAndDevelopment/RecognitionAndBenefits](https://tfl.gov.uk/people-and-development/recognition-and-benefits)

Privilege (PTAC) rate fares

Single Fares

Customers can only use pay as you go at Priv rate on the Tube and DLR – they cannot buy paper single tickets. Pay as you go fares using Oyster with priv discount are generally cheaper than buying a paper (cash) ticket for single journeys on London Overground, Elizabeth line and National Rail services.

For details of single fares, use [single fare finder](#), which shows pay as you go fares between any two rail stations

For adult, 18+ or 16+, the equivalent priv fare will be 25% of the adult fare.

For 11-15 year olds, the equivalent priv fare will be 25% of the 11-15 fare

- i.e. if the fare displayed is £1.00 the priv fare is £0.25

Day tickets and daily capping

- Privilege rate Day tickets are not available
- Privilege rate daily caps are charged at the standard adult rate
- Adults and 18+ Student Oyster photocard holders can have a 16-25 National Railcard discount set on their Oyster card/photocard in addition to the priv discount, to get a 1/3 discount on daily caps. The system applies the better value of the discounts at each stage.
- Privilege rate daily caps for children aged under 16 are charged at the standard child rate for peak and off-peak.

Entry and Exit Charges

An entry charge is deducted from a customer's contactless card or device or from the pay as you go credit on their Oyster card when they touch in at the start of a journey on Tube, DLR, Elizabeth line, London Overground, National Rail or River Bus services. The amount charged depends on what time the customer touches in and whether there are any valid discounts or a season ticket on an Oyster card. The deduction of an 'entry charge' is a revenue protection measure.

When a customer touches out at the end of a journey, the system adjusts the entry charge to ensure the correct cost of the fare for the journey completed is charged. This is done in one of the following ways:

- A credit adjustment is made if the cost of the journey is less than the entry charge
- No change is made if the cost of the journey is the same as the entry charge
- An additional deduction is made if the cost of the journey is more than the entry charge
- If the customer does not touch out at the end of the journey, the entry charge remains and is not included in capping and the customer will have an incomplete journey

If a customer does not touch in at the start of a journey but touches out at the end of the journey an exit charge is deducted from the customer's contactless card or device or from the pay as you go credit on their Oyster card. Again, the customer will have an incomplete journey.

If an Oyster card with a season ticket is touched in or out at a station outside its zonal validity, a lower 'mixed journey entry/exit charge' is deducted, to reflect the fact that part of the journey is covered by the season ticket.

For zones 1-9, the adult entry/exit charge is £9.40 peak and £6.40 off peak.

Entry and Exit thresholds and code 36

Customers using Oyster pay as you go need the minimum fare available from their departure station on their Oyster card for the gates to open at the start of a journey. This is known as the ‘entry threshold’.

If a customer did not touch in at the start of a journey, they will need the minimum fare to their destination on their Oyster card, for the gates to open at the end of their journey. This is known as the ‘exit threshold’.

Entry and Exit charges

If a customer using Oyster pay as you go does not have the required entry/exit threshold, on their Oyster card, error code 36 (insufficient pay as you go) is displayed and the gates will not open.

If a customer tries to touch in and their pay as you go balance is below the entry threshold they should be advised to add money to their Oyster card.

If a customer tries to touch out and their pay as you go threshold is below the exit threshold, their card will be rejected and the gate will not open. Customers need to ask staff to let them out and then need to add credit to their Oyster card before it can be used again.

The exit threshold at all London Underground, London Overground and Elizabeth line stations is set at -£2.00. Entry and exit threshold rates are not necessarily the same.

As long as an Oyster card does not have a PAYG balance of less than -£2.00, the customer is able to exit at their destination, even if they failed to touch-in correctly. Rather than their card being rejected with reject code “36”, the gate will open to let the customer out.

The appropriate exit charge will still be deducted, as well as potentially a maximum fare, resulting in a negative pay as you go balance. Until the card has been topped up, it cannot be used for travel.

Customers can resolve the maximum fare if applicable, via their online account or by calling Customer Services.

The entry threshold for an adult Oyster card is £15.90 for a peak entry and £8.70 for an off-peak entry. This is the minimum pay as you go balance needed on an Oyster card when entering the system at Gatwick Airport.

Customers who travel from Gatwick Airport to stations before a London Terminal, such as East Croydon, may need more credit on their Oyster card, to enter the system, than the actual fare for their journey.
