Notes:

Q4: Cannot answer. Trains are cancelled centrally not by route, and the train number of the cancelled train may change depending on if the train is reformed.

Q5: These trains could have been reformed and renumbered, therefore specific numbers not appearing does not necessarily mean the service did not run.

LU operates a turn up and go type of service: Service Operated (Actual vs. Scheduled trains) provided to respond Q1 and Q2 gives the best possible indication of the
