# Event Details

Prior to the New Year's Eve event security barriers are due to be installed at the above locations during the above date and times. To facilitate this there will be road closures.

Security barriers will be sited from 2100 hours and taking approximately 3 hours at each location. They will start their build at Victoria Street before moving onto Charing Cross Road and then the Strand.

Operators should also be made aware that once these barriers have been installed the road width will be reduced until their removal after the celebrations.
