# Event Details

Contractors working on behalf of Thames Water will be carrying out repairs to a water leak.

As part of the traffic management, Chalk Farm Road will be closed at its junction with Castlehaven Road. Buses will be diverted as follows:

## Route 24 towards Camden

From Malden Road at Prince of Wales Road via left Prince of Wales Road (**single alternate working under arch bridge managed by temporary traffic signals**), right Kentish Town Road, left Camden Street to line of route.

## Routes 27 and N27 towards Baker Street

From stand via ahead Malden Crescent, right Prince of Wales Road (**single alternate working under arch bridge managed by temporary traffic signals**), right Kentish Town Road, left Camden Street to line of route.

## Routes 31, N28 and N31 towards Camden Town

From Chalk Farm Road at Ferdinand Street via left Ferdinand Street, right Prince of Wales Road (**single alternate working under arch bridge managed by temporary traffic signals**), right Kentish Town Road, left Camden Street to line of route.

## Routes 1 and N5 towards Euston

From Chalk Farm Road at Ferdinand Street via left Ferdinand Street, right Prince of Wales Road (**single alternate working under arch bridge managed by temporary traffic signals**), right Kentish Town Road, left Camden Street to line of route
