TfL Transformation: Unconscious Bias workshop

Unconscious Bias happens by our brains making quick judgments and assessments of people and situations without us realising. Our biases are influenced by our background, cultural environment and personal experiences.

Aim

This workshop explores the subject of Unconscious Bias, how it can affect your day to day work and ways you can recognise and confront your biases.

Objectives

- To set the scene around diversity in TfL
- Explore the topic of Unconscious Bias and its impacts
- Give you the opportunity to consider what personal change you can make to help deliver a more diverse and inclusive TfL

Duration

2 hours
