Hi Lucy, Katie, Andrew

Meeting with senior taxi trade representatives is in the diary for Monday. Charles, unfortunately this was the only day they could do next week.

Feel free to send me an agenda or any materials you would like me to pass on in advance of the meeting.

Kind regards
Andrew

Thanks for confirming

I'll aim to get all three in the diary next week. Senior trade reps should be the most straightforward to finalise and will include:

LTDA – Steve McNamara
LCDC – Grant Davis
Unite – Jim Kelly
RMT – Andy Nicholls
UCG – Trevor Merralls (may decide against attending)

For the other two meetings, we need to confirm who would be best placed to attend. I'm working on it and will let you know.

Thanks
Andrew

Hi Andrew,

Is this for the three workshops? Yes an hour for each will have to suffice as I don't think we will get people to commit to much more (though could we book rooms for longer in case we go on?). Are you able to book the rooms – would be very grateful!?

Could you let me know who/ which organisations you will be inviting for each of the three workshops please?

For my own availability, I cannot do Monday 10-11:30 but other than that my other meetings are movable. Charles does not work on Mondays so if we could avoid that date it would be great. The other people who should be invited our end are Katie Howatson and Andrew Galligan (there are two on the system at TfL so please choose the Local Communities one!). Could you invite Christina Calderato as an optional attendee?

Many thanks Andrew
Lucy

Hi Lucy

Darren's confirmed his availability for next week.

- Monday – anytime
- Wednesday – anytime after 14:00, I've got something on in the morning but if necessary I could miss this and come to a workshop instead
- Thursday – 11:00-13:00 and 14:00-16:00
- Friday – anytime

Are any of these times inconvenient for you?

Also, would an hour suffice or would you like more time?

Thanks
Andrew
