

**Haringey**  
LONDON

PROJECT  
CENTRE

*Last update: December 2018*

# What is the scheme?

- ▶ Haringey has been successful in securing funding from Transport for London for a Liveable Neighbourhoods scheme in Crouch End.
- ▶ Liveable Neighbourhoods are long-term schemes that aim to encourage modal shift away from car usage, to walking, cycling and the use of public transport.
- ▶ The schemes are community-driven, and the nature of proposals will depend on the local context and aspirations. Residents, businesses and other stakeholders will be consulted throughout the project lifecycle and co-design the scheme. Examples of interventions in previous schemes include:
  - New pedestrian crossings
  - A network of good cycle routes
  - Redesigned junctions
  - Restrictions on motor traffic in town centres, high streets and residential streets
- ▶ Liveable Neighbourhoods deliver on the Healthy Streets approach discussed in the Mayor's Transport Strategy (see following slide).

Healthy Streets Indicators Chart (Healthy Streets for  
London, TfL, February 2017)

# How much funding is available?

- ▶ Funding for the scheme comprises £4.8m Transport for London funding and £1m Council match funding over the next four years. TfL have committed £175k for this financial year 2018/19.
- ▶ The Council have secured £400k in TfL LIP funding with the remaining match funding to be made up of private contributions (S106), air quality funding and council maintenance allocations.

# What area will the scheme cover?

# Where are we on the project?

- ▶ Haringey is working with Project Centre on Liveable Crouch End. The scheme will follow a ten-stage process:

- |                         |                               |
|-------------------------|-------------------------------|
| 1. Early engagement     | 6. Public consultation        |
| 2. Community engagement | 7. Design development         |
| 3. Define scope         | 8. Detailed design and tender |
| 4. Workshops            | 9. Construction               |
| 5. Concept options      | 10. Review                    |

- ▶ The scheme is currently in its early engagement stage, which started in November and will run until February 2019. The overall programme is anticipated to run until March 2022.
- ▶ The following slides will summarise the progress to date in this early engagement period.

## Liveable Crouch End

- [What is a 'Liveable Neighbourhood' project?](#)
- [What did Haringey win?](#)
- [What are the aims for the Crouch End project?](#)
- [Next steps and programme](#)
- [Have your say](#)

## What is a 'Liveable Neighbourhood' project?

A Transport for London initiative which gives boroughs the opportunity to bid for funding for long-term schemes that encourage walking, cycling and the use of public transport. The aim of any project should be to improve health and air quality, reduce car trips and improve neighbourhoods for walking and cycling.

£114 million is available from the initiative which will have four bidding rounds over the next four years.

To find out more please visit [Transport for London's website: Liveable Neighbourhoods page \(external link\)](#).

---

# Leaflet drop to all residents and businesses within Liveable Crouch End area – 26<sup>th</sup> November

## Crouch End Liveable Neighbourhood

The London Borough of Haringey want to hear from you about how we can improve the local area (map overleaf) by making it a greener, healthier, more attractive place to live, work and go to school.

The Council has received funding from Transport for London (TfL) to deliver a Liveable Neighbourhoods scheme in Crouch End, an exciting project that aims to create attractive and healthy neighbourhoods that make walking, cycling and public transport easier travel choices.

Project Centre is working with Haringey on this project, which is currently in the pre-engagement stage. We want to know what kind of improvements you want to see, and what is important to the community in Crouch End.

### Have your say

- Tell us what matters to you via our online survey: [www.pclconsult.co.uk/liveablecrouchend](http://www.pclconsult.co.uk/liveablecrouchend)
- The survey is open until Thursday 31st January.
- Pick up a hardcopy of the survey at Hornsey Library, email us to request one or for updates and to be kept informed:  
[liveablecrouchend@haringey.gov.uk](mailto:liveablecrouchend@haringey.gov.uk)
- Come and speak with us: Information on drop-in events taking place in December and January will be available at Hornsey Library and on the PCL Consult website:  
[www.pclconsult.co.uk/liveablecrouchend](http://www.pclconsult.co.uk/liveablecrouchend)
- More information and project updates are available on the Haringey website:  
[www.haringey.gov.uk/liveablecrouchend](http://www.haringey.gov.uk/liveablecrouchend)

# Crouch End Christmas Market – 1<sup>st</sup> December

*Early engagement*

## Meetings with stakeholders

- ▶ To-date, Project Centre have met the Crouch End Neighbourhood Forum (CENF) and Haringey Cycling Campaign (HCC) to discuss the project. A walkover of the area was undertaken with the CENF on 11<sup>th</sup> December.
- ▶ Meeting with schools are starting this week and will continue into the new year.
- ▶ A Stakeholder Forum is currently being set up to take place in the early part of the new year. The above groups in addition to local businesses, schools, nurseries, community facilities, emergency services, friends of parks, community groups, accessibility groups, and representatives from pan-London groups will be invited to attend.

HARINGEY  
CYCLING  
CAMPAIGN

# Baseline surveys

- ▶ The following surveys have been implemented to-date:
  - Automatic traffic counts (ATCs)
  - Origin-destination
  - Kerbside activity
- ▶ The following surveys have been commissioned to take place in the early part of 2019:
  - NO2 air quality
  - Pedestrian crossings
  - MCC (Manual Classified Count)
  - Parking stress
  - Pedestrian cordon count
  - Cycle parking count

*Early engagement*

## Next steps

- ▶ Presence on Haringey social media channels will now launch following end of purdah period.
- ▶ Drop-in sessions will take place in January 2019 on the following dates. Posters will be displayed in both venues to promote:
  - **Wednesday 9<sup>th</sup> January 16:00-20:00** - Hornsey Town Hall, Hornsey Works co-work area on ground floor
  - **Tuesday 15<sup>th</sup> January 10:00-16:00** - Hornsey Library
  - **Saturday 19<sup>th</sup> January 12:00-16:30** - Hornsey Town Hall, Hornsey Works co-work area
- ▶ First stakeholder forum to take place.
- ▶ Online consultation page will be running until 31<sup>st</sup> January.
- ▶ Summary of early engagement and findings to be published on 28<sup>th</sup> February.
