Official

Hi George,

A commitment was never made for the nursery to ensure deliveries were made outside of school peak hours albeit the applicant confirmed that they are in discussions with the nursery about future arrangements. The access arrangements was a primary concern discussed in great deal at committee (and covered in the committee report). As such, we added a Car Park Management condition (with details to be set out once further detailed highway assessment – i.e. RSA Stage 2 etc – has taken place) which set out further details of this arrangements which would need to be agreed by the LPA prior to commencement. I also note that planning committee requested that this particular condition comes back for committee to make the decision.

Regards,

James

Hi James,

Please could you send me over an email just confirming what we spoke about late last week. I.e. About the deliveries to the nursery next door and the condition about the access point that you want to bring back to committee please/

Thanks,

George

George Snape
