### Silvertown Tunnel correspondence

Please provide all internal TfL email correspondence, and email and other correspondence between TfL and individuals in the Mayor's office, relating to letters and emails to the Mayor and his deputies from the Stop the Silvertown Tunnel Coalition, and to responses to these letters, from May 1st 2019 to date.

Andrew Lunt and John Pardoe are the other TfL officers who would have been involved in any correspondence. As I say, the emails that are generated will need reviewing as a simple search on 'Stop the Silvertown Tunnel Coalition' generates a lot of information which does not relate to the query. Many thanks. David

David,

My manager, Lee Hill, would conduct a DA search based on those key words and also searching inboxes of those who would've been involved in this matter. Could we have some names of personnel please as that might help refine the search accordingly. Thanks.

Kind regards

Jasmine

Jasmine

I tried to do a simple search on the term 'Stop the Silvertown Tunnel Coalition' but lots of emails come up with that term that are not related to correspondence with the Mayor's Office (e.g. press statements, briefings for meetings, etc) – do you have a way of searching for emails or other correspondence with the Mayor or the Deputy Mayor from 'Stop the Silvertown Tunnel Coalition'?
