Event Details

Contractors for Network Rail are currently laying new pipes along the slip road next to the bus station, they need to gain access to a manhole situated in the carriageway between the car sales room and the mini-roundabout. They will be using three way temporary traffic lights with single alternate line working.

The alighting point outside the Rail Station (R0398) will be closed,

drivers should alight passengers at bus stop J on Station Road prior to coming into Station Approach.

Bays D & E in the bus station will be closed off and all buses should use the far right bay (F)
