Hi [REDACTED]  
Is it possible we can speak on the phone about the consultation materials?  
Thanks

Hi Jasmit,  
I'm just preparing the formal consultation request to TfL which I will send to Stylianos today  
The quote from the material that you may be referring to is from TfL bus operations and we have stated this. We have also included in the supporting documentation to the formal response and objection from TfL city planning regarding any removal of closure in Bethnal Green. I will also add that material when I send out the request later. Throughout the liveable streets project we have worked closely with the buses team in ensuring all elements of the schemes minimise impact on bus operations.  
Regards

Hi [REDACTED]  
Thank you for your response, I appreciate you may have not been made aware of that tweet going out.  
A local school has requested a meeting with Will Norman our Walking and Cycling Commissioner on this, ahead of this please can you ensure the materials are sent to us.  
Additionally, it has been stated that the borough has put in the pack a formal TfL quote in support of the removal of the scheme. Please can you confirm whether a request for a response was sent to TfL, as that would usually come to Stylianos or myself, and neither of us received one. If there is a desire for TfL to provide comment for the pack, we can collate one but I understand these were posted out so it may be too late.  
Thank you,  
Jasmit

Hi Jasmit,

Thanks for the email. I had asked [REDACTED] (copied in) to ensure TfL (Stylianios) received the consultation material. Apologies if this hasn't been done yet. [REDACTED] could you please arrange this asap please.

As regards the Mayor's twitter posting I'm afraid we, as officers, have no control over this and wasn't aware of it beforehand.

I hope in future communications between ourselves can be improved and I am grateful for you raising the issue. Please let me know if there are any problems in the future.

Regards,

I hope you are well.

I learned today of Tower Hamlets consulting on LTNs in the borough. I was slightly concerned by the leading nature of the text in the letter, are you able to provide the full pack that will be sent out for the consultation?

This is the letter I am referring to:

<https://twitter.com/LutfurRahmanTH/status/1616029308526395392>

We have before had issues arising from there being a lack of communication between yourselves and us on consultations, so before anything escalates politically it would be great if we can have all the information and agree on a position at officer level.

Thank you,

**Jasmit Jabbal**
