Many thanks Chris.

Just to be clear, if you feel that this site does need an audit, I would be happy for this to take place, just to be sure?

I appreciate that it is only a bollard and some slight amendments taking place to the cycle lanes, but we are still making adjustments at this location.

Regards,

Darren.

Hi Darren,

All appears to be in order – this should be placed on your files. For clarity, this is an agreement between yourself and the designer that an RSA is not required, rather than with the TfL RSA team.

Hi All,

I hope you are well.

Just a quick one, Chris, I have completed the Non Audit Requirements, and have signed the document.

Are you happy with this?

If so, I think we are good to go on this?
Look forward to hearing from you.

Thanks for all your help on this.

Regards,

Darren Mckenna
