SUMMARY OF SPECIAL ARRANGEMENTS

Due to long term train cancellations, the following temporary service arrangements will apply and supersede Working Timetable No. 70, until further notice.

6 trains have been withdrawn from the weekday timetable of Working Timetable No. 70. This is comprised of 3 trains which operate throughout the traffic day and 3 trains which operate in the AM peak only.
2 out of the 6 trains are cancelled from after the PM peak to close of traffic.

Existing trains have been rescheduled to minimise the impact of wide intervals that have opened up from the cancelled train paths. However some wider than usual intervals will remain in certain parts of the timetable, due to pathing constraints. Intervals are to be regulated and services adjusted where necessary.

In consequence of the re-allocation of Signalling Trip numbers and Routeing information, the whole Timetable is published in this notice.
