

- Notes:
1. Alternative Quietway 4 alignment to follow Magdalen Road, Garratt Lane and Summerley Street.
  2. Two arms of Magdalen Road/Garratt Lane signal junction to be converted to TOUCAN crossing facilities to accommodate cycle use. Crossings increased to 4m wide.
  3. ASL increase to 4m, as per TSRGD minimum.
  4. Additional footway buildout on Magdalen Rd for shared use facility to allow 2 turning lanes as requested by LBW. Length of buildout required to allow current queue lengths. Note: restricted width due to trees on footway.

**Key:**

[Yellow Box]	Walking/Cycling Space
[Grey Box]	Carriageway/Path Resurfacing
[Red Box]	Controlled Crossing Tactile Paving
[Brown Box]	Corduroy Paving
[Pink Dashed Line]	Quietway Route Alignment
[Blue Dashed Line]	Alternative Quietway Route Alignment
[Blue Solid Line]	Proposed Kerb
