Designer Organisation:	TfL ODE
Email:	[REDACTED]
Contact Number:	[REDACTED]
Other Relevant Party:	David Chui (TI Signals)
Email:	[REDACTED]
Contact Number:	[REDACTED]
Project Stage:	Concept Design
Submission Date:	16/09/16
Design Statement: (Brief summary of purpose of the project)	Sustrans have designed Quietway 7 which will provide improved cycling facilities between Elephant & Castle and Crystal Palace. At Thurlow Park Rd (South Circular), the route which uses Rosendale Road for North-South cyclists, crosses the TLRN. This scheme provides improved cycling facilities (early starts, low level signals, mandatory cycle lanes and two stage right turns) as well as the modernisation of the signals equipment.
TA Appointee:	Beatriz Garcia-Granados
Email:	[REDACTED]
Contact Number:	[REDACTED]
File Ref:	0381
