Dear Mike,

Thank you for your emails suggesting a conference call, and apologies for my delayed response.

We'd be happy to have a conversation with you in respect of your plans for London, particularly in the context of the Mayor's recently published draft Transport Strategy and his vision for a greener, healthier and more prosperous city.

Whilst of course I cannot discuss specific requirements related to any application you might decide to make for a Private Hire Operator licence, it would be good to understand your future plans.

I shall ask my office to contact you to arrange a suitable slot (bearing in mind the time difference!).

Kind regards,

Leon Daniels
